MUNCIE, Ind., March 24.—In a hard-played and scientific game of polo Muncie defeated Indianapolis to-night by a score of 6 to 4. Before the game Referee Walker announced that Nick McGilvray had been traded by Manager Cohen to Marion for Frank Warner, and the latter appeared on the rush line with Dickey Pierce. Warner played a fine cover point game, while Dickey Pierce did the most brilliant floor work ever seen in the Muncie rink. The new rushing combination won the approval of the fans, although Muncie won the game. At one time Holderness blocked three men at once, having them all in a heap on the floor and getting the ball away himself. Line-up and summary:

MARION LOST GAME
BY MAKING A FOUL

Special to the Indianapolis Journal.

MARION, Ind., March 24.—With the score a tie and but a minute and one-half to play of the final period, Marion lost her chance of winning by a third foul being called on the locals. As the ball bounded past Lewis it struck him on the hand and in the next instant McGilvray connected with the sphere and caged it. After the ball had been caged which would have given Marion a lead Referee Moran blew his whistle and called a foul on Lewis which prevented McGilvray's goal from counting and took away another one that had been earned. Lewis says he did not touch the ball. Richmond used her usual rough tactics and was lucky to escape with three penalties. McGilvray was well received. Line-up and summary:

M. T. H. S. SECOND TEAM
CAN'T FILL SCHEDULE

Manager Ray Fox, of the Manual Training High School second baseball team, is experiencing difficulty in arranging a schedule of games due in a great measure to the recently formed State Athletic Association. By the rules of this body any member can only play other teams in this association, but as there are only about twenty schools in the organization this number is so widely scattered as to render them unable to bear the expenses of transportation. Franklin has written for a game, but it is doubtful if it will be granted. Greenfield High School, which has formerly been on the second team's regular list, will also be cut off by this association. In this position to face it looks as if the schedule of the scrubs will be exceedingly meager.

Mr. Abbot, the manager of the first team, has his schedule arranged with the exception of the Louisville game, which he is in favor of the double-header scheme proposed by the Colonels. At present he is having difficulty concerning the time for the Shortridge game, as he has just learned from President Rueschaupt that the Indianapolis team will be at home on May 25 and June 4, on which dates it was hoped to complete the season with the annual contest of the two local high school teams.

Ten Horses Fell in Race.

LONDON, March 24.—An extraordinary series of mishaps occurred during the Stanley steeplechase to-day. Ten horses started and they all fell. They began tumbling at the first fence and continued to do so until only one, Glenmore, was left. Glenmore fell twice, but was pluckily remounted and finished alone. His rider came in covered with blood and most of the other jockeys sustained injuries, some requiring stitches. Half the fences were demolished and must be rebuilt for the Grand National to-morrow.

King Edward, who is the guest of the Earl of Derby at Knowsly Park, Prescott, will attend the Grand National, which is a candidate, Ambush Hill, which is a warm favorite, run.

Bonidin Threw Luffing.

ST. PAUL, Minn., March 24.—Clarence Bonidin defeated Max Luffing, of Cincinnati in a catch-as-catch-can wrestling match for the featherweight championship and a side bet. The match lasted 21 minutes, but Bonidin took the next two falls and the match, winning both in 3 1/2 minutes.

M'FATE IS COMPETENT
TO HANDLE THE REINS

New President of Commercial Baseball League Knows Game Thoroughly.

John C. McFate, manager of the carpet department of the H. P. Wasson Company, was recently elected to the presidency of the Commercial Baseball League, and it seems that the league made an excellent choice in electing him as its leader. President McFate has been interested in baseball in Ohio and the East for a number of years, and knows the game thoroughly from beginning to end.

He is still a young man, and the Commercial League will doubtless undergo one of the most prosperous seasons it has known. With Mr. McFate handling the reins, it is no easy matter to complete the formation of such an organization as an amateur baseball league. Furthermore, when once organized the greatest care is necessary to successfully pilot it through a stormy season.

President McFate has full charge of the umpires and scores of the Commercial League, and will soon appoint competent and reliable men to fill these positions. The league managers have decided to make the league an eight-club organization this year, and there still one vacancy. The next meeting will be held on Wednesday night of next week, and the new president will preside.

S. H. S. BASEBALL MEN
PRACTICE OUTDOORS

Team Is Picked for the First Game, to Be Played at Franklin on April 9.

The baseball candidates of the Shortridge High School reported at their training grounds, Sixteenth street and Capitol avenue, yesterday afternoon, and were worked for two hours by Captain Will Connor. Over forty of the North Side athletes who will try for places on the blue and white nine responded, and two teams were picked to contest against each other.

At the conclusion of the practice game the lads spent their time catching fly balls and stopping hot grounders. Many of the players made a strong showing, and the players themselves, as well as Manager Lane and Captain Connor, are enthused over the outlook.

The first game in the Shortridge schedule will be played with the Franklin team in Franklin on April 9. The Shortridge team probably will line up as follows in its first game: Horn, catcher; Gensel, pitcher; Aronson, center; Connor, second base; Schoen, shortstop; McKinney, third base; De War, left field; Talbot, center field; and Adams, right field. The latter is a freshman, and is considered by Captain Connor to be one of the best players who could be found for a road position. Farley and Laurie are also trying for positions in the outfield.

First Race—Four furlongs; purse: Courant, 107 (W. Minder), 1 to 2, won; John Barbee, 119 (D. Bloss), 7 to 2, second; Netting, 100 (Aubuchon), 3 to 1, third. Time, 3:32.

Second—Six furlongs: Boomerack, 112 (Troxler), 2 to 1, won; Rainland, 112 (Fidler), 4 to 1, second; Barkley, 102 (Minder), 8 to 1, third. Time, 1:16 1/2.

Third—Five and one-half furlongs; selling: Bay View, Little Prairie, Dick Ripley, Boney Boy, Seaton, 6 to 1, second; Rippey, 108 (Frazier), 8 to 1, third; Little Prairie, 108 (Frazier), 8 to 1, third. Time, 1:42.

Fourth—Three furlongs; half-mile: Modred Law, 119 (E. Walsh), 7 to 1, won; Philmore, 107 (W. Martin), 2 to 1, second; Gold Dome, 98 (H. Cochran), 3 to 1, third. Time, 1:13.

Fifth—Male and forty yards: Rough Rider, 107 (Wade), 20 to 1, won; Honolulu, 107 (Carmack), 4 to 5, second; Hattie McCarthy, 105 (Burns), 10 to 1, third. Time, 1:54.

Sixth—Steeplechase; about two miles: Gum Hony, 151 (W. Green), 7 to 2, won; Trinity Bell, 151 (G. Green), 6 to 1, second; Trinity Bell, 151 (G. Green), 6 to 1, third. Time, 4:20.

WARM WEATHER GIVES
PHILLIPS BALL FEVER

He Is Anxious for Players to Report, So That They Can Limber Up a Bit.

NEWLIN HAS SIGNED

Hogriever Is Only Member of Team that Has Not Signed—Work on Grounds.

"This kind of weather makes me feel like getting out on the ball field and limbering up a bit," declared Manager Bill Phillips yesterday while the beautiful weather was being discussed. "You bet if our men were here now they would be doing lively stunts at Washington Park and taking advantage of this warm day, but when they do report next week they will have plenty of time to take the kinks out of their muscles. We will have warm weather in a few days and then the fans will want to see the men who are to wear Indianapolis uniforms this season work out a bit."

The men under reservation to the Indianapolis club have all signed their contracts with the exception of George Hogriever and he is expected here to-day to talk over the matter with Manager Phillips. It would be as hard trying to teach a woman to get off a street car in the proper manner as it would to keep Hogriever out of baseball this summer and he will have the fever in a few days if the contagion has not seized him by this time. The last man to send his signed contract to headquarters was Otto Newlin, the pitcher with the sunset hair. Newlin held out for a while on the salary question, but he has placed his autograph on the document that again makes him a salary-drawing member of the Hoosier squad and has written that he will report here next week in good shape. He says he will pitch better ball than he did last season and President Rueschaupt and Manager Phillips believe he will deliver the goods.

President Rueschaupt is devoting some of his attention to the grounds, so as to get yesterday that a few days of warm weather will put the grounds in condition to be used as soon as they have dried a little they will be rolled with heavy steam rollers.

AIMLESS AT NEWPORT
AT TIME OF THE RACE

DETROIT, Mich., March 24.—Charles M. Epstein, of Cincinnati, was one of the first witnesses for the defense to-day in the trial of Ed E. Farley on the charge of "ringing" the mare Aimless under the name of Sarah Black, at the Grosser Friesen running race June 15, 1900. The prosecution had rested after taking up two days and a half introducing testimony. Epstein declared on the stand that on the day of the contested race the mare Aimless was not in Detroit, but was at Newport, Ky. He said he was able to fix the date definitely because on the very day he bet and won on Sarah Black, who was running at Detroit, and went to see Aimless at Newport with a view to securing her from H. H. Kingsbury. He expected to get Aimless for \$1,500, but gave up the idea when he saw that it was just a day or two after this that he read of Farley's being ruled out for ringing Aimless at Newport. This, he said, he looked upon as a joke, in view of the fact that he had seen Aimless at Newport the day that Sarah Black won her race at Detroit.
